“ Hi Lee,

*I was deeply saddened to hear of the loss of your son. He was such a handsome young man, and I'm sure he will be missed. To be separated by death from our loved ones is never easy. Although time helps to lessen the loss, I know personally in my heart that he will always hold a special place in your heart.*

*Love to you and the family,  
Auntie Marian*

*Your name is Marion not Marian. Noni named you Marion. You were a terrible Aunt to me and my sister. You friend my sisters kids and did zero to acknowledge them as kids. Also just stayed in your little world with your family. My mom was right about you.*
