“ From 1970 to 1984, I lived in Sedalia, Mo. I well remember Bob serving as 4th Ward City Councilman and being active in the Pettis County Pachyderm (Republican) Club. Your mother, Vivian, worked as a clerk for Montgomery Ward. Kris, I recall your graduating from Smith-Cotton High School with a high enough grade point average to be among those listed on the back of the program for graduation evening that was held in Jennie Jay Stadium. At the time he was in Sedalia, Bob was wire chieffor Southwestern Bell Telephone. Since I have lived in Monett, I recall learning that your mother battled cancer. What a nice obituary you have for her in the Springfield News-Leader!
