“ Jo was an awesome woman. I've known her since I was 5 yrs old and grew up with her daughter Brenda. She was like a mom to me for many years. I will greatly miss her. I saw her just a couple weeks ago or so at walmart and we had a great talk. She was such an inspiration to me and loved her so much. She loved the Lord and we talked about that that day.  
memories...bluebirds..campfiregirls...playing at her house growing up and seeing her smile at church every sunday and always got a hug from her everytime we saw each other. Thank you Jo for being a special part of my life. I wil miss you my friend.

“ Neil,

*If I had the words to take away the pain, I would say them, but I don't...*

*If I could hold your hand and take away the pain, I would, but I can't...*

*If I could walk ahead of you and clear the path of loneliness and sorrow, I would, but I can't....*

*But there is one thing I can do, and that is tell you that your family at Legacy cares for you, and it is our promise to support you, help you, and love you....*

*May God wrap His loving arms around you, hold you close, and give you the comfort and solace that only He can give....*
