“ Cathy & Family,

Just a brief note to extend my condolences for your loss. I still recall the many times we all shared a laugh together, and maybe a beer or two, albeit many years ago. Here's hopin' you all cherish the many memories you all created with him.

“ *Bill was the first person we met in the neighborhood when we came to look at the house in February 1996. He welcomed us then and there. This has been a great neighborhood to live in and Bill has been a big part of that. i am sorry he had to go through such pain but I am glad he hurts no more. He was always nice to our family.*
