“ I am sorry that I am not able to make it to Granny Kemp's services, but wanted to let all of the family know that you are in my thoughts and prayers. I know that she is in God's arms! She was such a wonderful woman! I remember my visits to Tioga, after my mother and Carl married, when I was about 12 years old. She always treated me like part of her family, and I will never forget that. I have many fond memories of those visits. Once I married, and started my own family, she remembered my 2 children, as well. I will never forget her love and kindness to me, and others. May God Bless and comfort all of her family and friends. Love,
Pam and family

“ My prayers and thoughts are with you. I had a really good visit with Winnie a few years back. We talked about the good ole days and the old home place, (where she lived) when I use to live there. I will miss her!
